LOBECOMM SYSTEMS, INC. JOINS THE SATELLITE INDUSTRY ASSOCIATION

Washington, D.C. May 5, 2010 - The Satellite Industry Association (SIA) announced the addition of Globecomm Systems Inc. as its most recent member.

“SIA is delighted to add Globecomm’s expertise to our association’s activities and advocacy,” **SIA President, Patricia Cooper** said. “Globecomm has a long history of supporting U.S. government customers in particular, dovetailing well with SIA’s commitment to the interaction of government users and the commercial satellite industry as the *“Voice of the Satellite Industry.”*”

“In our continued commitment to our industry, it is paramount to Globecomm that we stay at the forefront of the trends and developments in the satellite telecommunications sector,” noted Bill Raney, Senior Vice President. “SIA membership is a valuable strategic asset to Globecomm.”

Globecomm Systems Inc., headquartered in Hauppauge, NY, provides end-to-end value-added satellite-based communication products, services and solutions by leveraging its core satellite ground segment systems and network capabilities, with its satellite communication services capabilities. Globecomm offers products and services including consulting, pre-engineered products, systems design and integration services, managed network services and life cycle support services. Globecomm's customers include communications service providers, commercial enterprises, maritime, broadcast and other media and content providers and government and government-related entities.
